Correction for ‘A multifunctional photochromic metal–organic framework with Lewis acid sites for selective amine and anion sensing’ by Jian-Jun Liu *et al.*, *CrystEngComm*, 2020, 22, 4124–4129, DOI: 10.1039/D0CE00560F.

The authors regret that the grant numbers in the Acknowledgements section of their published paper were incorrect. The correct funding information should be as follows.

## Acknowledgements

We thank the National Natural Science Foundation of China (21961030 and 51764048), the Yunnan Province Thousand Youth Talents Plan, the Application Basis Research Project of Yunnan Province Science and Technology Department (2017FD144) and the Program of Innovative Research Team (in science and technology) in University of Yunnan Province for providing the financial support.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
