rsc.li/esatmospheres

We would like to take this opportunity to thank all of Environmental Science: Atmospheres' reviewers, and in particular highlight the Outstanding Reviewers for the journal in 2021, as selected by the editorial team for their significant contributions. We announce Outstanding Reviewers annually and each receives a certificate to give recognition for their contribution. The reviewers have been chosen based on the number, timeliness and quality of the reports completed over the last 12 months.

Maria Teresa Baeza Romero Universidad de Castilla-La Marcha ORCID: 0000-0001-6891-4982

Yunle Chen University of Rochester ORCID: 0000-0001-9904-2638 Biwu Chu
