Correction for 'Chestnut polysaccharides restore impaired spermatogenesis by adjusting gut microbiota and the intestinal structure' by Zhong-Yi Sun *et al.*, *Food Funct.*, 2022, **13**, 425–436, DOI: 10.1039/D1FO03145G.

The authors regret that the panel for busulfan MVH in Fig. 1 was shown incorrectly in the original article. The correct version of Fig. 1 is shown below.

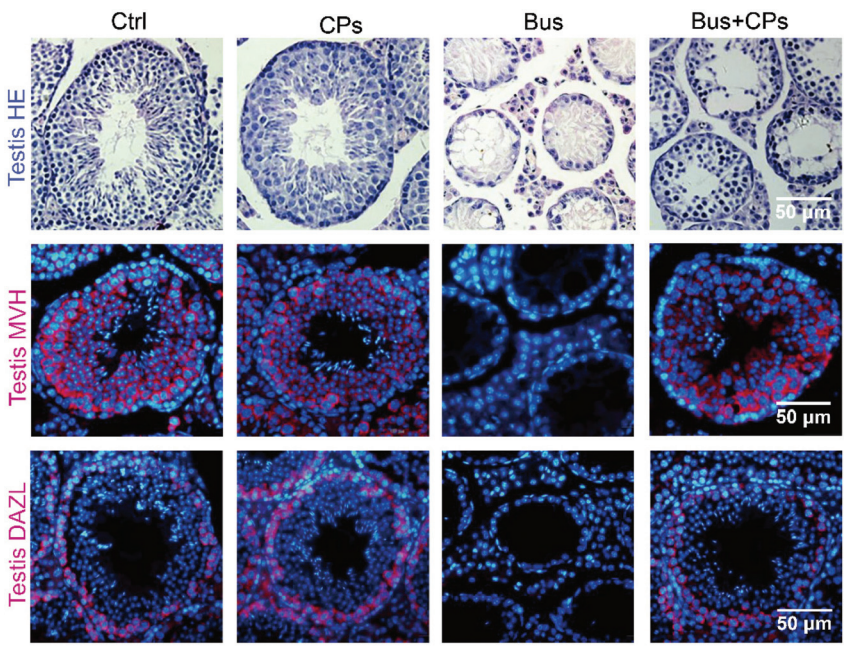

Fig. 1 Chestnut polysaccharides (CPs) increased germ cell quantity. Histopathology photos of HE staining and MVH and DAZL staining of mouse testes.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
