Expression of concern: Protective role of air potato (*Dioscorea bulbifera*) of yam family in myocardial ischemic reperfusion injury

Philippa Ross

Expression of concern for 'Protective role of air potato (*Dioscorea bulbifera*) of yam family in myocardial ischemic reperfusion injury' *Food Funct.*, 2010, **1**, 278–283, <https://doi.org/10.1039/C0FO00048E>.

The following article 'Protective role of air potato (*Dioscorea bulbifera*) of yam family in myocardial ischemic reperfusion injury' by Hannah Rachel Vasanthi, Subhendu Mukherjee, Diptarka Ray, Karuppiyah Shanmugasundara Pandian Jayachandran, Istvan Lekli and Dipak Kumar Das has been published in *Food & Function*.

The Royal Society of Chemistry is issuing this Expression of Concern notice to alert readers that concerns have been raised regarding the integrity of the western blot panels in Fig. 4 and 5. Due to the age of the article, the authors are unable to provide the raw data and images, and therefore we are unable to confirm the accuracy of the data reported in this paper.
