Correction for 'Direct anodic (thio)acetalization of aldehydes with alcohols (thiols) under neutral conditions, and computational insight into the electrochemical formation of the acetals' by Caiyan Liu *et al.*, *Green Chem.*, 2019, **21**, 4030–4034, <https://doi.org/10.1039/C9GC01554J>.

The authors found that one funding number was missing in the 'Acknowledgements' of the original article. It has been added as follows:

Acknowledgements

The authors thank the National Natural Science Foundation of China (21702145), the National Natural Science Fund for Distinguished Young Scholars (51825102) and the Natural Science Foundation of Tianjin City (19JCYBJC17700, 18JCYBJC89500) for sponsoring our research. We acknowledge the National Supercomputing Center in Shenzhen for providing the computational resources and materials studio (version 7.0, DMol3 and Gaussian 09).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
