The authors regret that the x-axis label in Fig. 5c was shown incorrectly in the original article. The correct version of Fig. 5c is as shown below.

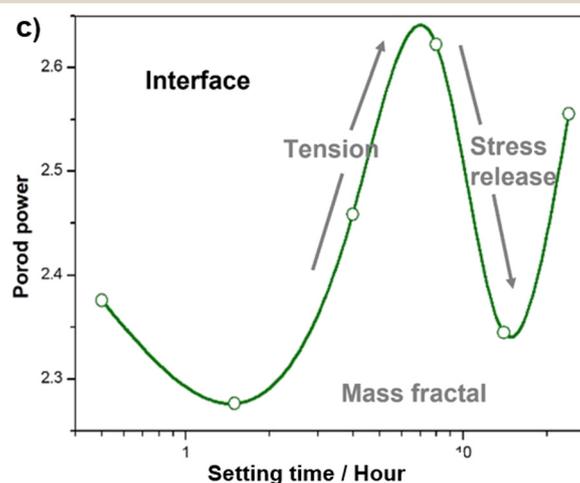

Fig. 5 (c) Porod power variation over time in the Porod-region preceding the FSDP.

The authors regret that, in the Acknowledgements section of the original manuscript, the reference number of the FUNMIN research project was incorrect. The correct reference number is 299668.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
