Correction for 'Chain release mechanisms in polyketide and non-ribosomal peptide biosynthesis' by Rory F. Little *et al.*, *Nat. Prod. Rep.*, 2021, DOI: 10.1039/d1np00035g.

The authors regret that the structures of gliotoxin **61** (Fig. 28), enacyloxin Ila **62** (Fig. 29), gladiofungin **69** and its unnumbered precursor (Fig. 31), and tenuazonic acid **72** (Fig. 33) are incorrect in the article. The correct structures are displayed below.

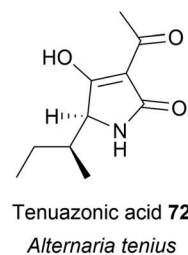

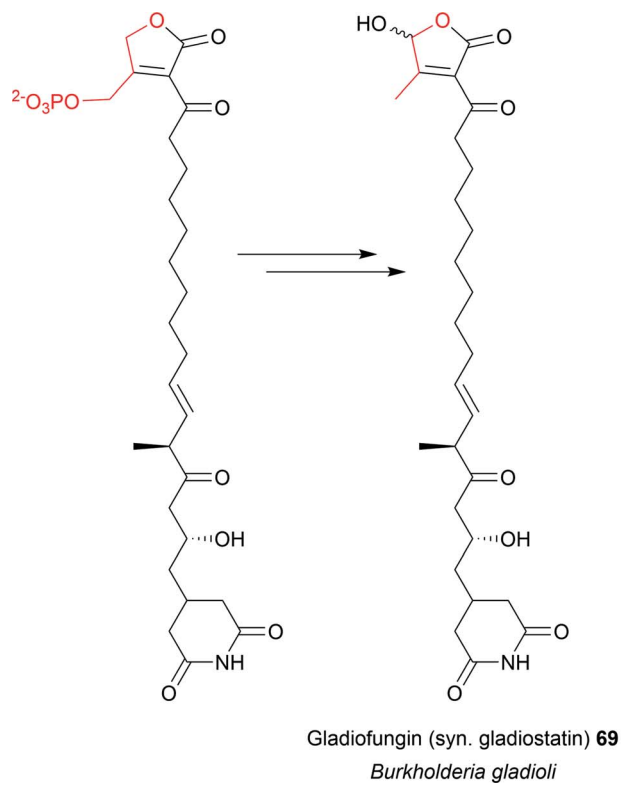

Gliotoxin **61**  
*Aspergillus fumigatus*

Enacyloxin Ila **62**  
*Burkholderia ambifaria*

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
