Retraction of 'Trop2 promotes proliferation, invasion and EMT of nasopharyngeal carcinoma cells through the NF- κ B pathway' by Nan Cheng *et al.*, *RSC Adv.*, 2017, 7, 53087–53096, DOI: 10.1039/c7ra09915k.

The authors hereby wholly retract this *RSC Advances* article due to concerns with the reliability of the data. The authors have attempted to replicate the experiments described in the article but were unable to achieve the same results.

Given the lack of reliable raw data, the authors can no longer guarantee that the findings presented in this paper are accurate.

Signed: Junpeng Luo
