Correction for 'Introducing DDEC6 atomic population analysis: part 1. Charge partitioning theory and methodology' by Thomas A. Manz *et al.*, *RSC Adv.*, 2016, **6**, 47771–47801, <https://doi.org/10.1039/C6RA04656H>.

The authors regret that there was an error in eqn (25) of the original manuscript. The correct version of eqn (25) is presented below.

$$\sum_{A,L} \delta\rho_A(\vec{r}_A) = \delta\rho(\vec{r}) = 0 \quad (25)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
