Correction for 'Scalable synthesis and structural characterization of reversible KKL6 inhibitors' by Andreas Baumann *et al.*, *RSC Adv.*, 2022, **12**, 26989–26993, <https://doi.org/10.1039/D2RA04670A>.

The authors regret that incorrect details were given for note 20 in the original article. The correct version of note 20 is given below.

It appears as if compound **13**, or more likely its enantiomer, was prepared in ref. 18 (personal communication with A. W. H. Speed).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
