Correction for 'Efficient and stable electrorheological fluids based on chestnut-like cobalt hydroxide coupled with surface-functionalized carbon dots' by Yudai Liang *et al.*, *Soft Matter*, 2022, DOI: [10.1039/D2SM00176D](https://doi.org/10.1039/D2SM00176D).

The authors would like to add the following funding support for this work: the authors are grateful for financial support from the Key Research Project of Zhejiang Laboratory (No. 2021PE0AC02).

The authors regret that an affiliation for one of the authors, Jinbo Wu, was missed. The corrected list of affiliations is as shown above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
