Correction: Direction reversing active Brownian particle in a harmonic potential

Ion Santra,^a Urna Basu^{ab} and Sanjib Sabhapandit^a

Correction for 'Direction reversing active Brownian particle in a harmonic potential' by Ion Santra *et al.*, *Soft Matter*, 2021, 17, 10108–10119, <https://doi.org/10.1039/D1SM01118A>.

The authors regret an error within a formula in Section 2 of the manuscript.

On page 10111, in the left column, In the bullet point describing Active-I, the boundary of the distribution is incorrectly given as $|\mathbf{r}| = r_0^2$. The correct equation should read as $|\mathbf{r}| = r_0$.

The Royal Society of Chemistry apologises for this error and any consequent inconvenience to authors and readers.
