Correction for 'Molecular dyads with non-fused electron acceptor backbones for single-component organic solar cells' by Wang Wei *et al.*, *J. Mater. Chem. A*, 2022, 10, 18753–18761, <https://doi.org/10.1039/D2TA04310F>.

The authors regret that a project funder was omitted from the Acknowledgements section in the published article. The corrected Acknowledgements section should read as follows.

This work was financially supported by the National Natural Science Foundation of China (NSFC) (Grant No. 52061135206) and the Fundamental Research Funds for the Central Universities. S. P. and Y. L. thank Russian Science Foundation for financial support (grant 21-43-00051).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
