The authors regret an error in the funding details presented in the Acknowledgements section of the published article: the funding code for the Science, Technology and Innovation Committee of Shenzhen Municipality was incorrectly given as JCYJ20180211150709226, and it should be corrected as JCYJ20180306173720000.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
