

Advance your career in science

with professional recognition that showcases
your **experience, expertise and dedication**

Stand out from the crowd

Prove your commitment
to attaining excellence in
your field

Gain the recognition you deserve

Achieve a professional
qualification that inspires
confidence and trust

Unlock your career potential

Apply for our professional
registers (RSci, RSciTech)
or chartered status
(CChem, CSci, CEnv)

Showcasing research from Professor Daishun Ling's laboratory, Frontiers Science Center for Transformative Molecules, School of Chemistry and Chemical Engineering, Shanghai Jiao Tong University, Shanghai, China.

Inorganic ion-sensitive imaging probes for biomedical applications

Dynamic monitoring of ions in living systems greatly contributes to exploring the role of ions in related diseases, which may expand our understanding of the relationship between inorganic ions and disease development, providing a paradigm shift for the diagnosis and therapy of major diseases.
