Correction for '5D total scattering computed tomography reveals the full reaction mechanism of a bismuth vanadate lithium ion battery anode' by Jonas Sottmann *et al.*, *Phys. Chem. Chem. Phys.*, 2022, **24**, 27075–27085, <https://doi.org/10.1039/D2CP03892G>.

The previously published version of this paper was missing the secondary affiliations for three of the authors – Amund Ruud, Øystein S. Fjellvåg and David S. Wragg. The secondary affiliations are as follows.

Amund Ruud – Nordic Institute of Dental Materials, Sognsveien 70 A, 0855 Oslo, Norway

Øystein S. Fjellvåg and David S. Wragg – IFE Institute for Energy Technology, Instituttveien 18, 2007 Kjeller, Norway

The complete list of affiliations is as shown herein.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
