The authors regret that there were errors in some of the molecular structures in Fig. 5 (compound 19), Fig. 9 (compound 43), Fig. 11 (compounds 51 and 54), Fig. 12 (compound 56) and Fig. 15 (compounds 74 and 76) in the original article. The corrected figures are shown here. None of the conclusions in the paper are affected by these corrections.

Fig. 5 Chemical structures and maximum absorption/emission wavelengths of NIR-I Pt(II) polypyridine complexes (15–21).
