In the published version of the above manuscript, the authors noticed that some panels of the images used for **Fig. 10** belonged to another published study.<sup>1</sup>

The authors have now provided a corrected version of **Fig. 10**, as shown here.

**Fig. 10** Mice treated with the NiL1 complex (A) and control group (B) on different days.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
