We would like to take this opportunity to thank all of *Environmental Science: Atmospheres*' reviewers for helping to preserve quality and integrity in chemical science literature.

We would also like to highlight the Outstanding Reviewers for *Environmental Science: Atmospheres* in 2022. Each one of our outstanding peer reviewers has been carefully selected by our editorial team and includes active researchers who have made significant contributions to peer review on the journal. They have been chosen based on the quality, timeliness and number of reports completed over the last 12 months.

Dr Douglas Collins Bucknell University

ORCID: 0000-0002-6248-9644

Dr Shantanu Jathar Colorado State University ORCID: 0000-0003-4106-2358

Dr Jack Lin University of Oulu

ORCID: 0000-0002-4453-1263

Dr Stephen Montzka National Oceanic and Atmospheric Administration

ORCID: 0000-0002-9396-0400

Dr Jessica Tryner Colorado State University ORCID: 0000-0002-0522-4551

Dr Chen Wang Southern University of Science and Technology

ORCID: 0000-0001-9565-8777

Prof. Hongbin Xie
Dalian University of Technology
ORCID: 0000-0002-9119-9785

We would also like to thank the *Environmental Science: Atmospheres* Editorial Board and Advisory Board and the atmospheric science community for their continued support of the journal, as authors, reviewers and readers.

We continue to work on improving the diversity of our reviewer pool to reflect the diversity of the communities that we serve.

Neil Donahue, Editor-in-Chief Emma Eley, Executive Editor Sarah Whitbread, Editorial Production Manager
