rsc.li/nanoscale-advancesCorrection for 'Tuning the morphology of sulfur–few layer graphene composites *via* liquid phase evaporation for battery application' by Eleonora Venezia *et al.*, *Nanoscale Adv.*, 2022, 4, 1136–1144, <https://doi.org/10.1039/D1NA00733E>.

The authors regret that the following funding information was omitted in the original manuscript:

“This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement GrapheneCore3 – 881603.”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
