The funding information in the Acknowledgements section of the original article was given incorrectly. The correct funding information is as follow:

The work presented has been facilitated by the Materials Innovation Platform of The Pennsylvania State University, *i.e.*, the Two-Dimensional Crystal Consortium (2DCC-MIP) supported by NSF through cooperative agreements no. DMR-1539916 and DMR-2039351. DSHL acknowledges the support of the center for 3D Ferroelectric Microelectronics (3DFeM), an Energy Frontier Research Center funded by the U.S. Department of Energy, Office of Science, Office of Basic Energy Sciences Energy Frontier Research Centers program under Award Number DE-SC0021118. JC acknowledges the support of the National Science Foundation (NSF) Graduate Research Fellowship Program under Grant No. DGE-2039655. This work is supported by the Air Force Office of Scientific Research (AFOSR) under award number FA9550-22-1-0237.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
