Correction for 'A bifunctional hierarchical core-shell $\text{Mo}_2\text{C}@\text{ZnIn}_2\text{S}_4$ Schottky junction for efficient photocatalytic H_2 -evolution integrated with valuable furfural production' by Jian Yang *et al.*, *Inorg. Chem. Front.*, 2023, <https://doi.org/10.1039/d3qi01422c>.

The authors regret that in Fig. 2a of the original manuscript, XPS data was presented instead of XRD data. The corrected figure is shown below.

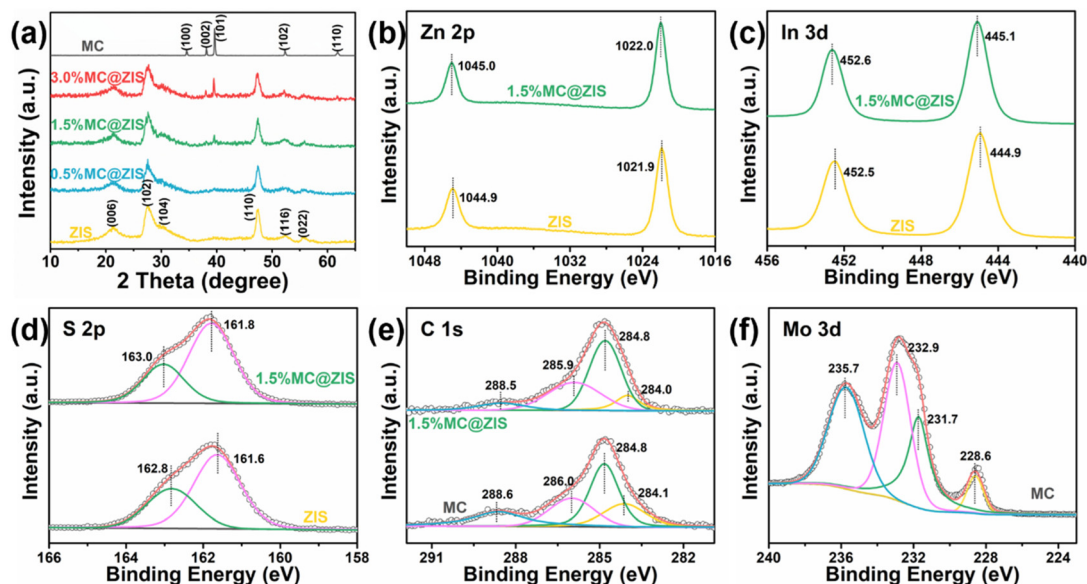

Fig. 2 (a) XRD patterns of the as-prepared samples. High resolution XPS spectra of (b) Zn 2p, (c) In 3d, (d) S 2p, (e) C 1s and (f) Mo 3d.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
