Correction for 'Ab initio study of the electronic states of  $V_3Si$  in momentum space' by Saloni Sharma et al., RSC Adv., 2023, 13, 25836–25845, https://doi.org/10.1039/D3RA04535H.

The authors regret that there was an error in eqn (7). The correct equation is as shown below:

$$B(r) = B(z) = \left(\frac{1}{2\pi}\right)^{\frac{1}{2}} \int_{-\infty}^{\infty} J(p_z) e^{-ip_z \cdot z} dp_z.$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
