Correction for 'Light-enhanced electrical behavior of a Au/Al-doped ZnO/p-Si/Al heterostructure: insights from impedance and current–voltage analysis' by Majdi Benamara *et al.*, *RSC Adv.*, 2023, 13, 28632–28641, <https://doi.org/10.1039/D3RA06340B>.

The authors would like to clarify the affiliation list of the published article to correctly show where the work was conducted. In the original article, the affiliation at the time of publication of one author (Ramzi Dhahri) was listed as Laboratory of Physics of Materials and Nanomaterials Applied to the Environment, Faculty of Sciences of Gabes, University of Gabes, Erriadh, 6079, Gabes, Tunisia. However, this author also had a second affiliation which was regrettably omitted: Department of Physics, Faculty of Sciences and Arts, Najran University, P.O. Box 1988, Najran, 11001, Saudi Arabia. The corrected list of affiliations at the time of publication of the original article is presented here.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
