Correction: Investigation of support effects during ethanol steam reforming over a Ni/sepiolite catalyst

Marinela D. Zhurka,^a James A. Anderson,^a Alan J. McCue,^b
Angeliki A. Lemonidou^c and Panagiotis N. Kechagiopoulos^{*a}

Correction for 'Investigation of support effects during ethanol steam reforming over a Ni/sepiolite catalyst' by Marinela D. Zhurka *et al.*, *React. Chem. Eng.*, 2023, <https://doi.org/10.1039/D3RE00181D>.

The authors regret that a formula was incorrectly displayed in section 2.3. Experimental conditions and parameters in the original article.

The correct equation is:

$$\text{TOF (s}^{-1}\text{)} = \frac{X_{\text{Eth/Acet}} \cdot F_{\text{Eth/Acet}}^{\text{in}} \cdot \text{AW}_{\text{Ni}}}{w_{\text{cat}} \cdot w_{\text{Ni}} \cdot D}$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
