Correction: Evidence for and evaluation of fluorine–tellurium chalcogen bonding

Robin Weiss,^a Emmanuel Aubert,^b Loic Groslambert,^a Patrick Pale^{*a} and Victor Mamane^{*a}

Correction for 'Evidence for and evaluation of fluorine–tellurium chalcogen bonding' by Robin Weiss *et al.*, *Chem. Sci.*, 2023, **14**, 7221–7229, <https://doi.org/10.1039/D3SC00849E>.

The authors regret that eqn (4) was written in an incomplete form in the originally published version of the article. The correct eqn (4) is shown below.

$$\begin{aligned}\Delta G &= \Delta H - T\Delta S = -RT \ln K_A \\ &= -RT \ln \left[\left(^4J_{\text{Te}-\text{F}} - ^4J_{\text{Te}-\text{F}(\text{anti})} \right) / \left(^4J_{\text{Te}-\text{F}(\text{syn})} - ^4J_{\text{Te}-\text{F}} \right) \right]\end{aligned}\quad (4)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
