Correction: Passive particle transport using a transversely propelling polymer "sweeper"

K. R. Prathyusha

Correction for 'Passive particle transport using a transversely propelling polymer "sweeper"' by K. R. Prathyusha, *Soft Matter*, 2023, **19**, 4001–4010, https://doi.org/10.1039/d2sm01708c.

There was an error in the equation presented in the last paragraph of section 3.1 on page 4005. The equation should be presented as:

$$V_{\mathrm{r}}^2 = \frac{1}{N} \sum_{i=1}^{N} \left(v_{ix}^2 + v_{iy}^2 \right)$$

For the work presented in this paper, the correct expressions were used in the calculations. Hence, this correction has no influence on the results and conclusions of the paper.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
