The authors regret there were some errors in Table 1 and Fig. 2 of the original article. These are outlined below.

1. In the eleventh line of Table 1, "Taiwan and China" needs to be corrected to: "Taiwan, China".
  2. The caption of Fig. 2 needs to be changed to "Visual analysis of the regions network of WPCBs recycling treatment studies."
- The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
