We would like to take this opportunity to thank all of *Environmental Science: Advances*' reviewers for helping to preserve quality and integrity in chemical science literature.

We would also like to highlight the Outstanding Reviewers for *Environmental Science: Advances* in 2022. Each one of our outstanding peer reviewers has been carefully selected by our editorial team and includes active researchers who have made significant contributions to peer review on the journal. They have been chosen based on the quality, timeliness and number of reports completed over the last 12 months.

Dr Goutam Biswas
Cooch Behar Panchanan Barma University

Dr Fang Cheng
University of Newcastle, Australia
