Correction for 'A layered cancer-on-a-chip system for anticancer drug screening and disease modeling' by Magdalena Flont *et al.*, *Analyst*, 2023, **148**, 5486–5495, <https://doi.org/10.1039/D3AN00959A>.

After reconsidering the authorship and the contributions stated in the Acknowledgements section of the above article, the authors wish to acknowledge a change to the authorship.

Zuzanna Mackiewicz and Marta Białek, who were previously acknowledged in the above article, are to be recognised as co-authors of the study. All the authors involved in the study approved this change in authorship.

The new authorship and contributions statements are as follows:

Magdalena Flont, Zuzanna Mackiewicz, Marta Białek, Artur Dybko and Elżbieta Jastrzębska.

Magdalena Flont was responsible for conceptualization, data curation, formal analysis, investigation, methodology, validation, visualization, writing – original draft. Zuzanna Mackiewicz was responsible for system development and participation in implementing the presented biological works. Marta Białek was responsible for participation in implementing the presented biological works. Artur Dybko was responsible for funding acquisition, conceptualization, project administration, supervision, writing – review & editing. Elżbieta Jastrzębska was responsible for conceptualization, resources, formal analysis, supervision, writing – review & editing.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
