**PAPER**

Ambika G. Bajpayee *et al.*  
Milk exosomes anchored with hydrophilic and  
zwitterionic motifs enhance mucus permeability for  
applications in oral gene delivery

# EES Catalysis

GOLD  
OPEN  
ACCESS

**Exceptional research on energy  
and environmental catalysis**

**Open to everyone. Impactful for all**

**[rsc.li/EESCatalysis](https://rsc.li/EESCatalysis)**

**Fundamental questions  
Elemental answers**
