# Correction: Self-assembled methodologies for the construction of DNA nanostructures and biological applications

Rui Ye,<sup>a</sup> Yuqi Wang,<sup>\*a,b</sup> Yan Liu,<sup>a</sup> Ping Cai<sup>a</sup> and Jie Song<sup>\*a,c</sup>

Correction for 'Self-assembled methodologies for the construction of DNA nanostructures and biological applications' by Rui Ye *et al.*, *Biomater. Sci.*, 2024, <https://doi.org/10.1039/d4bm00584h>.

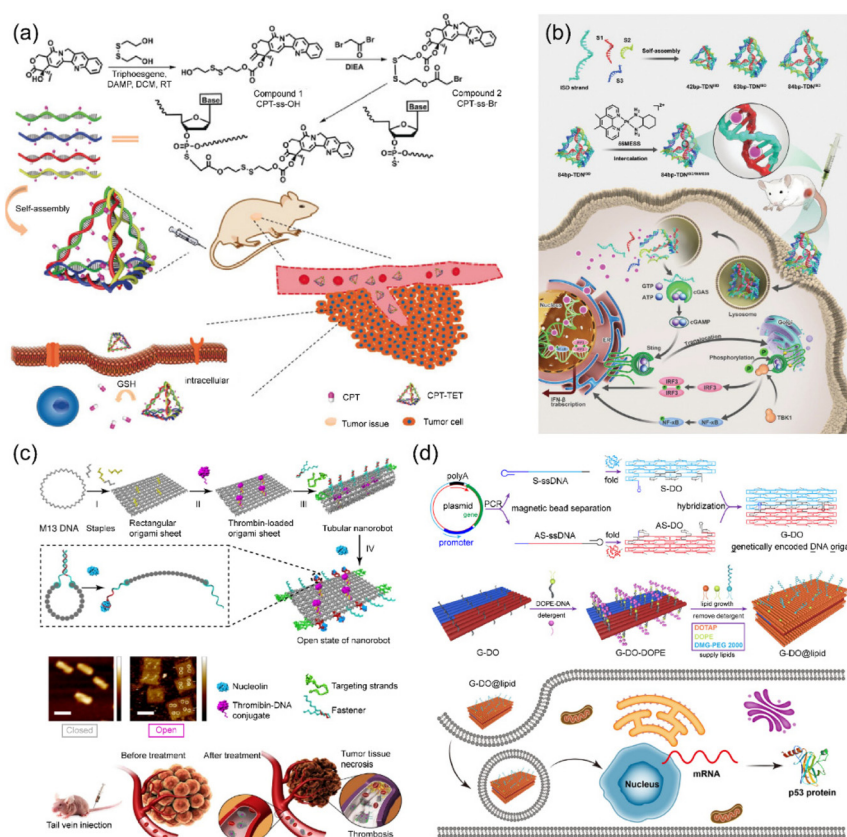

The authors would like to correct Fig. 6 in the published article, in which the images in Fig. 6c were arranged incorrectly and did not correspond to the caption and article text. The amended figure is shown below. We declare that this substitution of Fig. 6 does not affect the scientific validity of this review.
