Correction for '3D printing of reactive macroporous polymers *via* thiol–ene chemistry and polymerization-induced phase separation' by Nikolaj K. Mandsberg *et al.*, *Chem. Commun.*, 2024, <https://doi.org/10.1039/d4cc00466c>.

The authors regret that the funding details were incomplete in the original article. The last sentence should read “N. K. M. was funded by an Internationalisation Fellowship from the Carlsberg Foundation (No. CF21-0614).”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
