Correction for 'Facile preparation of a Ni–imidazole compound with high activity for ethylene dimerization' by Zhaohui Liu *et al., Chem. Commun.*, 2024, **60**, 188–191, https://doi.org/10.1039/D3CC04794F.

The authors regret the omission of a funding acknowledgement in the original article and would like to clarify that the work also received funding from National Key Research and Development Project of China (2022YFE0113800)

The corrected acknowledgements section is shown below:

## Acknowledgements

The financial support for this work was provided by the National Natural Science Foundation of China (22102013), the National Key Research and Development Project of China (2022YFE0113800) and Baseline Funds (BAS/1/1372-01-01) & Research Translation Funds (REI/1/4220-01-01) from King Abdullah University of Science and Technology (KAUST). We thank Dr Zeng Guang for his help in structural analysis.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
