

# At the heart of open access for the global chemistry community

### **Editor-in-chief**

Russell J Cox

Leibniz Universität Hannover, Germany

### We stand for:

**Breadth** We publish work in all areas of chemistry and reach a global readership

**Quality** Research to advance the chemical sciences undergoes rigorous peer review for a trusted, society-run journal

Affordability Low APCs, discounts and waivers make publishing open access achievable and sustainable

**Community** Led by active researchers, we publish quality work from scientists at every career stage, and all countries
