Correction: Understanding the patterns that neural networks learn from chemical spectra

Laura Hannemose Rieger, Da Max Wilson, Db Tejs Vegge Da and Eibar Flores D*c

Correction for 'Understanding the patterns that neural networks learn from chemical spectra' by Laura Hannemose Rieger et al., Digital Discovery, 2023, 2, 1957–1968, https://doi.org/10.1039/D3DD00203A.

The authors regret the omission of funding acknowledgements, initially reported in the article metadata but inadvertently overlooked in the original text. The authors acknowledge the funding from the European Union's Horizon 2020 research and innovation program under grants agreement no. 957189 (BIG-MAP) and no. 957213 (BATTERY2030PLUS).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
