Outstanding Reviewers for *EES Catalysis* in 2023

We would like to take this opportunity to thank all of *EES Catalysis*'s reviewers for helping to preserve quality and integrity in chemical science literature. We would also like to highlight the Outstanding Reviewers for *EES Catalysis* in 2023.

Each one of our outstanding peer reviewers has been carefully selected by our editorial team as having made significant contributions to peer review. In addition to reviewers who provided a high number of quality reports, we are pleased to highlight reviewers who provided exceptionally thorough and detailed reports, reviewers who provided clear and insightful adjudicative reports and reviewers who made additional efforts to aid authors in improving their manuscripts.

Dr Felix Gunkel
Forschungszentrum Juelich GmbH
ORCID: [0000-0003-1178-9986](#)

Dr Kazuhide Kamiya
Osaka University
ORCID: [0000-0002-6018-9277](#)

Dr Aditya Nandy
University of Chicago
ORCID: [0000-0001-7137-5449](#)

Professor Zhenghua Tang
South China University of Technology
ORCID: [0000-0003-0718-3164](#)

Professor Yusuke Yamauchi
University of Queensland
ORCID: [0000-0001-7854-927X](#)

Dr Ying Yu
Central China Normal University
ORCID: [0000-0002-7680-7180](#)

Professor Tierui Zhang
Technical Institute of Physics and Chemistry, Chinese Academy of Sciences
ORCID: [0000-0002-7948-9413](#)

Dr Liangshu Zhong
Shanghai Advanced Research Institute,
Chinese Academy of Sciences
ORCID: [0000-0002-4167-8630](#)

We would also like to thank the *EES Catalysis* Editorial Board and Advisory Board and the catalysis community for their continued support of the journal, as authors, reviewers and readers.

We continue to work on improving the diversity of our reviewer pool to reflect the diversity of the communities that we serve.

Emma Eley, Executive Editor
Lucy Argyle, Editorial Production Manager
Professor Shizhang Qiao, Editor-in-Chief
