Each one of our outstanding peer reviewers have been chosen based on the number, timeliness and quality of the reports completed during 2023.

"I would like to provide a few words of gratitude for our referees, who devote time and energy to ensure that our journal maintains its high standards of excellence. Scientific publishing requires a rigorous editorial processes and thorough peer review, to ensure that our readership has access to the latest findings, in their best format. In this context, outstanding reviewers deserve special mention, for providing a truly excellent service to the community." Professor Federico Rosei, Editor-in-Chief.

Professor Giovanni Fanchini University of Western Ontario ORCID: 0000-0002-2502-7475

Professor João Fernando Gomes Instituto Politécnico de Lisboa Instituto Superior de Engenharia de Lishoa

ORCID: 0000-0003-2579-6669

Dr Song Li Huazhong University of Science and Technology

ORCID: 0000-0003-3552-3250

Professor Dieging Zhang Shanghai Normal University ORCID: 0000-0003-4043-771X

We would also like to thank the RSC Applied Interfaces Editorial Board and the applied interfaces community for their continued support of the journal, as authors, reviewers, and readers.

We continue to work on improving the diversity of our reviewer pool to reflect the diversity of the communities that we serve.

Professor Federico Rosei, Editor-in-Chief
