Correction: High-throughput prediction of oxygen vacancy defect migration near misfit dislocations in SrTiO₃/BaZrO₃ heterostructures

William Ebmeyer and Pratik P. Dholabhai*

Correction for 'High-throughput prediction of oxygen vacancy defect migration near misfit dislocations in SrTiO₃/BaZrO₃ heterostructures' by William Ebmeyer *et al.*, *Mater. Adv.*, 2024, **5**, 315–328. DOI: <https://doi.org/10.1039/D3MA00850A>

The authors regret that the funding information within the acknowledgements statement was incorrectly recorded. The corrected acknowledgements are as shown here.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
