Correction for 'An amorphous Cr₂Ge₂Te₆/polyimide double-layer foil with an extraordinarily outstanding strain sensing ability' by Yinli Wang et al., Mater. Horiz., 2024, https://doi.org/10.1039/d4mh00616j.

The authors regret a typographical error in the chemical formulae quoted in the "New concepts" section of the published article: please note that two occurrences of "Cr₂Ge₂Te₂" should read "Cr₂Ge₂Te₆".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
