Correction for 'Transition-metal-free glycosyl sulfonation of diaryliodonium salts with sodium glycosyl sulfinate: an efficient approach to access glycosyl aryl sulfones' by Jiaxin Luo *et al.*, *New J. Chem.*, 2024, 48, 4218–4223, <https://doi.org/10.1039/D3NJ05942A>.

The authors regret that an incorrect grant number was shown in the acknowledgements section of the published article. The corrected section should read:

Financial support from the National Natural Science Foundation of China (No. 22201041) and the Fuzhou University (No. 511041) is gratefully acknowledged.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
