Correction: Lattice engineering of noble metal-based nanomaterials *via* metal-nonmetal interactions for catalytic applications

Long Zheng, Lei Xu, Ping Gu and Ye Chen*

DOI: 10.1039/d4nr90080d rsc.li/nanoscale

Correction for 'Lattice engineering of noble metal-based nanomaterials *via* metal-nonmetal interactions for catalytic applications' by Long Zheng *et al.*, *Nanoscale*, 2024, https://doi.org/10.1039/d4nr00561a.

The authors regret that the chemical formula listed as " K_2RhCl_6 " in Section 2.1.1 "Noble metal phosphides" in their manuscript is incorrect, and it should instead read " K_3RhCl_6 "

This correction does not affect any conclusions of the article.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
