 Correction for 'Development of a chromium oxide loaded mesoporous silica as an efficient catalyst for carbon dioxide-free production of ethylene oxide' by Muhammad Maqbool *et al.*, *RSC Adv.*, 2023, 13, 32424–32432, <https://doi.org/10.1039/d3ra05858a>.

In the original manuscript, the authors regret errors in the authorship list for ref. 28, with some names being omitted accidentally. The corrected reference is shown as ref. 1 below.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
