Expression of concern for 'The anti-Alzheimer potential of *Tamarindus indica*: an *in vivo* investigation supported by *in vitro* and *in silico* approaches' by Abeer H. Elmaidomy et al., *RSC Adv.*, 2022, 12, 11769–11785, <https://doi.org/10.1039/D2RA01340A>.

The Royal Society of Chemistry is publishing this expression of concern in order to alert readers that concerns have been raised regarding the reliability of the photomicrographs in Fig. 2 and 4. An investigation is underway, and an expression of concern will continue to be associated with the article until a final outcome is reached.
