Correction for 'Characterization of chitosan- and  $\beta$ -cyclodextrin-modified forms of magnesium-doped hydroxyapatites as enhanced carriers for levofloxacin: loading, release, and anti-inflammatory properties' by May N. Bin Jumah et al., *RSC Adv.*, 2024, 14, 16991–17007, <https://doi.org/10.1039/d4ra02144d>.

The authors regret that the one of the affiliations (affiliation a) was incorrectly shown in the original manuscript. The corrected list of affiliations is as shown here.

The funding information was also shown incorrectly in the acknowledgements section of the original manuscript. The corrected funding acknowledgement is as shown below.

This work was funded by the Deanship of Scientific Research at Princess Nourah bint Abdulrahman University, through the Research Groups Program Grant no. (RGP-1444-0035)(2).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
