Correction for 'Spinel cobalt-based binary metal oxides as emerging materials for energy harvesting devices: synthesis, characterization and synchrotron radiation-enabled investigation' by Abdelelah Alshanableh et al., *RSC Adv.*, 2024, 14, 21180–21189, <https://doi.org/10.1039/D4RA03462G>.

The authors regret that the names of three of the authors (Khaled Shawakfeh, Latif U. Khan and Messaoud Harfouche) were shown incorrectly in the original article. The corrected author list is as shown above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
