 Expression of concern for 'Schiff base Mn(III) and Co(II) complexes coated on Co nanoparticles: an efficient and recyclable magnetic nanocatalyst for H₂O₂ oxidation of sulfides to sulfoxides' by Shokoufeh Ghahri Saremi *et al.*, *RSC Adv.*, 2018, 8, 3889–3898, <https://doi.org/10.1039/C7RA11225D>.

RSC Advances is publishing this expression of concern in order to alert readers that concerns have been raised over the integrity of the data published in this article. The authors have been contacted but have not responded to requests to provide raw data. An expression of concern will continue to be associated with the article until a conclusive outcome is reached.
