The authors regret that there was an error in the sentence on lines 8–9 in the right column on page 32010 of the original article at the end of the "High resolution transmission electron microscope (HR-TEM)-morphology study" section. The text originally read 'The process was conducted at the School of Distance Education, Universiti Sains, Malaysia'. This sentence should read 'The process was conducted at Monash University Malaysia'.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
