The authors would like to clarify the affiliation list of the published article to correctly show where the work was conducted. In the original article, the address at the time of publication of one author (Shala Bi) was listed as an affiliation. However, the work was conducted at the Department of Physics, Pukyong National University. The corrected list of affiliations at the time of publication of the original article is presented above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
