Correction: Development of tissue-engineered vascular grafts from decellularized parsley stems

Merve Cevik^a and Serkan Dikici^{*b}

Correction for 'Development of tissue-engineered vascular grafts from decellularized parsley stems' by Merve Cevik *et al.*, *Soft Matter*, 2024, 20, 338–350, <https://doi.org/10.1039/D3SM01236K>.

The author regrets that the funding information was omitted in the acknowledgements section of the original manuscript. The corrected funding acknowledgement and acknowledgments information is as shown below.

The authors acknowledge the Department of Scientific Research Projects of Izmir Institute of Technology (IZTECH-BAP) (Grant no. 2022İYTE-3-0002) and Health Institutes of Türkiye (TUSEB) (Grant no. 2023-A4-01-31747 and 2023-A4-01-31614) for financially supporting this study. The authors acknowledge the Biotechnology and Bioengineering Application and Research Centre (CFB), the Center for Materials Research (CMR), and IzTech Integrated Research Centers (IzTech IRC). We also thank Dr Çağrı Çavdaroglu for his assistance in the interpretation of the FTIR data.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
